

# Blind Wishing I Could See (feat. Deni Gauthier)

## Rose Cora Perry

V1: I have no faith  
It's all been washed away  
I played the game  
It put me on display

V2: I have no love  
It came and beat me up  
And so they say  
So much for yesterday

Chorus: And now I feel so shattered  
No place to call my own that matters  
And now I look around and there's nothing left for me  
And now I realize how it feels to be alone  
I've been left blind wishing I could see

V3: I have no soul (I have no soul)  
Instead there's a giant hole (giant hole)  
I thought I could (I thought I could)  
I thought you really understood

V4: I fell so hard (I fell so hard)  
I'm left with permanent scars (permanent scars)  
I lost my strength (I lost my strength)  
Don't know if I'll ever be the same

Bridge: I've been left blind wishing I could see  
I've been left blind wishing I could see  
I've been left blind and all alone  
All alone. All alone. All alone. No.  
(Overlay: Slip inside the eye of your mind  
Don't you know you might find a better place to play?  
But please don't leave your life in the dreams  
of the rock and roll scene. It'll tear your heart away.)

Finale Chorus:  
And now I feel so shattered, no place  
And now I look around, and there's nothing  
And now I realize how it feels to be alone  
I've been left blind wishing I could see

Iâ€™ve been left blind wishing I could see  
Iâ€™ve been left blind without you in me
