Life

Zug Izland

I've seen the light and I've
seen the fate
And I walked away
Still I'm okI remember the pain inside
from the day when my mother died
Never went away
It's still here today[Chorus]
Ya born alone
Ya die alone
And still we live on singing
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitchAnd my baby he went to sleep
in his mother's arms we pray to keep
He shyed away
He never lived a dayBest friend call me up to say
with a gun in his hand said he's goin' crazy
Said you'll be ok
he still died the next day[Chorus]
Ya born alone
Ya die alone
And still we live on singing
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitchI stood in line
I've lost my pride
I've made the change
I'm a better man todayDeath brings life
Still we try

To live a better way
Before your dyin day[Chorus]
Ya born alone
Ya die alone
And still we live on singing
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
it's a bitch
Yea yea
Yesterday is a memory
But today
it's a bitch[fades]
Yea yea
Yesterday is a memory
tomorrow is a vision...
