

Loud & Clear

Olly Murs

Are you happy now?
Are you satisfied
With the way that you let our love die?
So how's it feel to be
On the other side
Without me in your life? I was calling you my world,
My heart, my everything, ooh
But you didn't give a damn
Enough to let me in
But now you know If you want to love
You've got to give love
Or it will disappear
Now you're all alone
Wishing you could go back
To where you're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears
The truth is hitting you loud and clear like
Ooh ooh like
Ooh ooh Stop. Baby, let it out
Is there a dark cloud
Looming over you since our breakdown?
Has it been difficult?
And are you miserable?
Are you missing us now? I was calling you my world
My heart, my everything, ooh
But you didn't give a damn
Enough to let me in
But now you know If you want to love
You've got to give love
Or it will disappear
Now you're all alone
Wishing you could go back
To where you're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears
The truth is hitting you loud and clear like

Ooh ooh like
Ooh ooh How does it feel to be without
Without my love around
Wishing you could turn it around?
Ooh but now you know If you want to love
You've got to give love
Or it will disappear
Now you're all alone
Wishing you could go back
To where you're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears
The truth is hitting you loud and clear like

Ooh ooh like
Ooh ooh
Ooh ooh like
Ooh ooh
Ooh ooh
Ooh ooh
