

The Sweetest Days

[Vanessa Williams](#)

You and I, in this moment
Holding the night so close
Hanging on, still unbroken
While outside the thunder rolls Listen now, you can hear our heartbeat
Warm against life's bitter cold
These are the days
The sweetest days we'll know There are times that scare me
We rattle the house like a wind
Both of ours so unbending
We battle the fear within All the while, life is rushing by us
Hold it now and don't let go
These are the days
The sweetest days we'll know So we'll whisper a dream here in the darkness
Watching the stars till they're gone
And when even the memories have all faded away
These days go on and on Listen now, you can hear our heartbeat
Hold me now and don't let go
(These are the days)
Every day is the sweetest day we'll know (These are the days)
The sweetest days we'll know
