Violet And A Rose

Pam Tillis

A violet fell in love with a rose
And started it flashing from its head to its toes
Then one day the rose was kissed by the dew
A new love was born and the violet turned blueRoses are red violets are blue
I'm sending red red roses to you
If you care to send some flowers to me
Then send me some violets I'm blue as can beI wanted my love to bouquet with you
Just like the rose you've proven untrue
A flower that's wild they say has no home
And just like the violet I'm left all aloneRoses are red violets are blue...
Send me some violets I'm blue as can be
