

# Leave Me Alone (interlude)

## Da Brat

Yo, Dont be talkin' to me about no motherfuckin' problems.  
Don't be talkin' to me about shit I don't wanna argue.

I don't wanna do shit, I just want a motherfuckin' smoke.  
When I'm smokin don't fuck with me.  
See what I'm sayin I don't need this shit
