

Leave

Glen Hansard & Marketa Irglova

I can't wait forever is all that you said

Before you stood up

And you won't disappoint me

I can do that myself

But I'm glad that you've come

Now if you don't mind Leave, leave

And free yourself at the same time

Leave, leave

I don't understand, you've already gone And I hope you feel better

Now that it's out

What took you so long

And the truth has a habit

Of falling out of your mouth

But now that it's come

If you don't mind

Leave, leave

And please yourself at the same time

Leave, leave

Let go of my hand

You said what you came to now

Leave, leave

Let go of my hand

You said what you have to now

Leave, leave

Leave, leave

Let go of my hand

You said what you have to now

Leave, leave...
