Corner

Paola Jean

Do, do, doo,
do, do, doo,
doo, doo, ooh.When your world trembles and quakes,
And your footing suddenly shifts and shakes.
Take my hand,
We'll hide in the corner, hide in the corner,
Take my hand,
We'll hide 'till it's over,
'till it's all over.La la la la la,
La la la la la,
La la la la la,
La la la la la la la.We have choices to make,
we have promises that we can't break.
There is nothing left to loose,
So hold onto me,
I'll hold onto you.Take my hand,
We'll hide in the corner, hide in the corner,
Take my hand,
We'll hide 'till it's over,
'till it's all over.
Ooh, Ohh, Oooh.La la la la la,
La la la la la,
La la la la la,
La la la la la la la,
La la la la la,
La la la la la,
La la la la la,
La la la la la la la.Oh, ooh, ooh.
Ooh, ooh, ooh.Take my hand,
We'll hide in the corner,
Hide in the corner,
Take my hand,
We'll hide 'till it's over,
'Till it's all over,
take my hand,
we'll hide in the corner,
hide in the corner,
take my hand,
we'll hide till it's over,

till it's all over,
ohh, ohh, oooh,
La la la la la,
La la la la la,
La la la la la,
La la la la la la la,
La la la la la,
La la la la la,
La la la la la,
La la la la la la la,
La la la la la,
La la la la la,
La la la la la,
La la la la la la la,
La la la la la,
La la la la la,
La la la la la,
La la la la la la la.
