What You Mean to Me

Sterling Knight

Can't blame you for thinking
That you never really knew me at all
I tried to deny you
But nothing ever made me feel so wrongI thought I was protecting you
From everything that I go through
But I know that we got lost along the wayHere I am with all my heart
I hope you understand
I know I let you down
But I'm never gonna makeThat mistake again
You brought me closer
To who I really am
Come take my hand
I want the world to see
What you mean to me
What you mean to me
Just know that I'm sorryI never wanted to make you feel so small
Our story is just beginning
But let the truth break down these walls (oh yeah yeah)And every time I think of you
I think of how you pushed me through
And show me how much better I could be
Here I am with all my heartI hope you understand
I know I let you down
But I'm never gonna make
That mistake againYou brought me closer
To who I really am
Come take my hand
I want the world to see
What you mean to me (yeah)
You make me feel like I'm myself
Instead of being someone elseI wanna live that every day
You say what no one else was saying
You know exactly how to get to me
You know it's what I need
It's what I need yeah
Here I am with all my heart
I hope you understand (I hope you understand)
I know I let you down
But I'm never gonna make that mistake again (that mistake again)
You brought me closer

To who I really am
So come take my hand
I want the world to see
What you mean to me
What you mean to me
