

Not Gonna Get Us (Ultimix Radi

[t.A.T.u.](#)

Not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get us
They're not gonna get us
They're not gonna get us
Not gonna get us
They're not gonna get us
Not gonna get us Starting from here, let's make a promise
You and me, let's just be honest
We're gonna run, nothing can stop us
Even the night that falls all around us Soon there will be laughter and voices
Beyond the clouds over the mountains
We'll run away on roads that are empty
Lights from the airfield shining upon you Nothing can stop us, not now, I love you
They're not gonna get us,
They're not gonna get us
Nothing can stop us, not now, I love you
They're not gonna get us,
They're not gonna get us
They're not gonna get us Not gonna get us
Not gonna get us
Not gonna get us
Not gonna get us
Get us We'll run away, keep everything simple
Night will come down, our guardian angel
We rush ahead, the crossroads are empty
Our spirits rise, they're not gonna get us My love for you, always forever
Just you and me, all else is nothing
Not going back, not going back there
They don't understand,
They don't understand us
They don't understand us Not gonna get us
Not gonna get us Not gonna get us
They're not gonna get us,
Not gonna get us Nothing can stop us, not now, I love you
They're not gonna get us,
They're not gonna get us
Nothing can stop us, not now, I love you

They're not gonna get us,
They're not gonna get us
They're not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get usNot gonna get us
Not gonna get us
