

Chandelier

Jean Kelley

Party girls don't get hurt
Don't feel anything, when will I learn
Push it down, push it down I'm the one for a good time call
Phone's blowing up, ringing my doorbell
And I feel the love, feel the love 1,2,3 1,2,3 drink
1,2,3 1,2,3 drink
1,2,3 1,2,3 Pour 'em back, till I lose count I wanna swing from the chandelier, the chandelier
I'm wanna live like tomorrow doesn't exist
Like it doesn't exist I wanna swing from the chandelier, the chandelier
I'm wanna live like tomorrow doesn't exist
Like it doesn't exist Hold on for dear life
Won't look down won't open my eyes
Keep my glass full until morning light
'Cause I'm just holding on for tonight Holding on for tonight
