Time After Time

Dr. Sin

Time after time
Living in memories
Crossing the line
Of realityLives passing by
Watching my destiny
Voices are calling
From deep in my mindAlone in dark
I fear the night
No words can explain
Am I insane?If I think
Of all the pain
I couldn't make
Me through
Another day
Another wayWhere will I find
Peace of mind
Before my eyes
My life slips away
Fades awayWondering why
Nothing seems real to me
Watching the hands of the
Click tick awayIt's like a bad dream
No one can hear me scream
I can't stop the nightmare
Have mercy on me
