

# Kiss Me

## Zaza

Kiss me kiss me  
Oh oh oh oh oh...Up all night  
Been thinkin about how close that we've become  
It's just so crazy  
We're both havin so much fun  
And I  
Never been in like before  
But as this turned into a whole lot more  
You stood a little bit closer as you  
Opened up my doorNow I  
Think of you night and day  
And I don't (I don't)  
See anything in our way  
So tell me if you feel everything that I feel  
Maybe  
It's time  
For this to be realLet's jump in the car and drive  
Flip our hats to the side we ride  
It don't matter where we go  
Boy I just wanted you to know that  
No matter what we do  
As long as it's me and you  
I'm just so happy that you're mine  
Maybe could you kiss me this timeKiss me kiss me  
Oh oh oh oh oh...  
Kiss me kiss me  
Kiss me kiss meCan't fight the way I feel inside no matter what I do or try  
Can somebody tell me  
Tell me if it's wrong or right that  
When I'm down and feeling blue  
I just can't wait to hear from you  
Just a little bit of time with you is all I need  
To see me through  
Now I  
Think of you night and day  
And I don't (I don't)  
See anything in our way  
So tell me if you feel everything that I feel  
Maybe

It's time  
For this to be real Let's jump in the car and drive  
Flip our hats to the side we ride  
It don't matter where we go  
Boy I just wanted you to know that  
No matter what we do  
As long as it's me and you  
I'm just so happy that you're mine  
Maybe could you kiss me How long must I wait  
How long will you take  
Don't you realize when you look in my eyes  
We both wanna know where this like will go  
Just one kiss will show  
All we need to know Let's jump in the car and drive  
Flip our hats to the side we ride  
It don't matter where we go  
Boy I just wanted you to know that  
No matter what we do  
As long as it's me and you  
I'm just so happy that you're mine  
Maybe could you kiss me this time Let's jump in the car and drive  
Flip our hats to the side we ride  
It don't matter where we go  
Boy I just wanted you to know that  
No matter what we do  
As long as it's me and you  
I'm just so happy that you're mine  
Maybe could you kiss me this time Kiss me kiss me  
Oh oh oh oh oh...  
Kiss me kiss me  
Kiss me kiss me
