

Stay (feat. Chaka Khan)

Rufus

Advisory - the following lyrics contain explicit language:

Please stay with me now, don't you let me go
I'll make it somehow, I got to let you know
That I'll make it somehow, some way Though I'm waitin' on the day
What I'm doing's gotta pay
Some way, somehow My baby, when he cries
It's 'cause something's on his mind
This world is full of lies
You and me are one of a kind The good Lord will stand behind every step
We are blind to fate
That's life, that's life Stay, stay, stay, stay
(Won't you please)
Stay, stay, stay, stay It fits but you can't make it work
Where there's pain, there's got to be hurt
And the green grass grows from the dirt
Yeah, that's a fact of life, oh, I'm right The good Lord stand behind of every step
We are blind to fate
That's life, that's life Stay, oh won't you please Stay, stay
(Won't you)
Stay, stay, stay, stay
Stay, stay, stay, stay Stay, stay
Stay, stay
Stay, stay
...
