

# Thanks a Lot

## Johnny Cash

You're tellin' everyone in town that I don't treat you right  
You even say I stay away and don't come home at night  
I'm losing you and you are all I've got  
Thanks a lot, thanks a lot It seems you like to hurt me and you know I'm good to you  
I'd give you anything I own do anything you want me to  
Yeah, now you really got me on the spot  
Thanks a lot, thanks a lot Still I would forgive you if you'd let me  
I'd be glad if we could try again  
But it seems that you're just out to get me  
And it looks as if you're just about to win No matter what you do I'll always do love you  
And you will never know how it hurts to see you go  
And you're callin' me those things, you know I'm not  
Thanks a lot, thanks a lot
