

Right In The Middle

Chris Janson

Yes, some'll call me honky-tonk, little bit of hip-hop
Little bit of rock and roll
I don't care what you call me, you can call me what you want
Just call me when the good time's on
'Cause I ain't all backbeat, I ain't all East Street
I ain't all saw on the fiddle
I ain't left, I ain't right, I'm
Just right in the middle Boom, goin' off like a pistol
Coming in like a missile
If there's a party you can bet I'm gonna be right in the middle
You can blow that whistle
Look what I ain't stoppin'
Gonna keep it rockin', poppin', boots be stompin'
Right in the middle Now, I'm a little bit of old-school, little bit of new-school
Little bit of right-on-time
Lord, but if I'm gonna do it, gonna do it up right
Now, damn sure do it all night, that's right Boom, goin' off like a pistol
Coming in like a missile
If there's a party you can bet I'm gonna be right in the middle
You can blow that whistle
Look what I ain't stoppin'
Gonna keep it rockin', poppin', boots be stompin'
Right in the middle
