

# Anything For You

## Mr. Big

You have me burnin' up  
With your bad timing  
One small moment  
I'm lost in your love I'm lost and innocent  
Turn my head around  
Your one liners  
I can do without Easy come, easy go  
I can't back down baby  
I should have let you know that I would do anything for you  
Anything for you  
If I only had you by my side  
I would do anything for you  
Anything for you  
So wave goodbye  
Anything for you One day comes  
And I disappear  
You'll get your independence  
Free and clear Ah you got it in you  
A chance to make it work  
Your heart will keep on beating  
And I'm still hurt
