

The Edge

Cant

Each time you said you loved me
Each time you said you care
Each time just say you love me
Just love me, just like you said
Each time you said you loved me
Each time you said you care
Each time just say you love me
Just love me, just like you said
Each time you said you loved me
Each time you said you care
Each time just say you love me
Just love me, just like you said
Each time you said you loved me
Each time you said you care
Each time just say you love me
Just love me, just like you said
I'm going down
Losing my touch
Start asking why?
Stop actin' so tough
You tried to go home
Tell em you're sorry
Try to slow down
It's time to slow down
Cuts like a knife, bleeds like a vein
Turn it around, so I'll take the blame
What would I miss?
Just what would I miss?
Our blood's come undone
Our edge is adrift
When you're not around
Just what would I miss?
