

In Memorium In Advance

From First To Last

Clarity, please speak to me
Clarity, please speak to me
I've had this feeling so long, let it out
I've had this feeling so long, let it out
I've had, I've had
When everything is gone
When everything has fallen out of place
Who will remember me?
Who will remember me?
Who will remember?
When everything is gone
When everything has fallen out of place
Who will remember me?
Who will remember me?
