Tiny Spiders

Wussy

The day we ran away i stole you from the schoolyard
On a woodchip bed we lay surrounded by the tiny spiders
Me and my old friend starring in the Christmas play
On the stage we both pretend to be the two who ran away
You threw it all away to find it
You threw it all away to find yourself
The inn is full of all our words
Prove we're nothing more than liars
The sky is black for all the birds
Balancing along the wires
Star of wonder to your door
It's home to me if you can make it
Leave our costumes on the floor
Nothing more than sheets and blankets
