

# Tomorrow Night

Elvis Presley

Tomorrow night  
Will you remember what you said tonight?  
Tomorrow night  
Will all thrills be gone? Tomorrow night  
Will it be just another memory  
Or just another lovely song  
That's in my full heart to linger on? Your lips are so tender  
Your heart is beatin' fast  
And you're willin' to surrender  
Tell me darlin', will it last? Tomorrow night  
Will you be with me when the moon's bright?  
Tomorrow night  
Will you say those lovely things you said tonight? Tomorrow night  
Will it be just another memory  
Or just another lovely song  
That's in my full heart to linger on? Your lips are so tender  
Your heart is beating fast  
And you're willin' to surrender  
Tell me darlin', will it last? Tomorrow night  
Will you remember what you said tonight?  
Tomorrow night  
Will you say those lovely things you said tonight?
