

# Cry Ophelia

Adam Cohen

Something went wrong  
You are not laughing  
It's not so easy now to get your smile  
You gotta be wrong  
To walk these streets  
And keep from falling  
But when you're not, just let yourself cry You've been working hard  
Just trying to pay the rent  
Tryin' to draw the line between who you are  
and who you invent  
But if you throw a stone  
Something's gonna shatter somewhere  
We're all so fragile  
We're all so scared You say you wanna learn how to live your life  
without tears  
But we've been trying to do that for thousands of years  
So go on and cry Ophelia  
It's the only thing to do sometimes  
You know I'm crying too  
Right there with you  
It's alright Ophelia  
Everybody cries Thank god for my bad memory  
I've forgotten some of the stupid things  
that I've done  
I've come to a little wisdom  
through a whole lot of failure  
So I watch more carefully what rolls off my tongue
