

(Still a) Weirdo

KT Tunstall

No I know I took for granted that things
Would always go the way I wanted oh
I was going to be a treetop
A sea, a boat, a rock of ages I don't always get it right
I'd see it in a different kind of light Pay my lip service
Keep it eloquent
Optimistic but
Never quite elegant
Still a weirdo
Still a weirdo, after all these years I'd always thought it's automatic
to grow into a soul less static
But here I am upon the same spot
Attempting to lift off into space I don't always get it right
But a thousand different ways
And I just might Pay my lip service
Keep it eloquent
Optimistic but
Never quite elegant
Still a weirdo
Still a weirdo, after all these years
Still a weirdo
Still a weirdo, after all these years Pay my lip service
Keep it eloquent
Optimistic but
Never quite elegant
Still a weirdo
Still a weirdo, after all these years Still a weirdo
Still a weirdo, after all these years After all these years
