Banana Splits

The Dickies

Tra la la tra la la la
Tra la la tra la la la
Tra la la tra la la la
Tra la la tra la la la

One banana two banana three banana four
All bananas make a split so do many more
Over hill and highway the banana buggies go
Come along to bring you the banana splits show

Four banana three banana two banana one
All bananas playing in the bright warm sun
Flipping like a pancake popping like a cork
Fleagle bingo drooper and snork

Making up a mess of fun
Making up a mess of fun
Making up a mess of fun
Lots of fun for everyone

Four banana three banana two banana one
All bananas playing in the bright warm sun
Flipping like a pancake popping like a cork
Fleagle bingo drooper and snork
