

Boys Will Be Boys

Backstreet Boys

[Chorus]

Oh boys will be boys

Oh boys will be boys You've got something so that incredible in my eyes,

My heart (my heart) is stars to bumpin' whenever you around

My whole world upside down baby

But I try to get closer and you always push me away

You tell me its much too soon, but I just can't help it

I've always got to make a play [Chorus] All my senses, going around you all the time

And I invences, I've never going hope

Always gotta lose control

I hear ya saying, that you think that we should wait

And I can't hold on any more, my body's callin' for ya

So please don't hesitate [Chorus] Go I hear ya saying, that you think that we should wait

And I can't hold on any more, my body's callin' for ya

So please don't hesitate

My body's callin' for ya

So please don't hesitate [Chorus]
