

# Someone to Love

## Kirk Whalum

Don't even like to think about it  
I don't know what I would do without it  
I only know I live and breathe for your love  
Baby, you came to me in my time of need  
When I needed you, you were there for me  
Baby, the love from you is what got me through  
It's because of you I was able to  
Give my heart again, you gave me  
    Someone to love  
    Someone to touch  
    Someone to hold  
    Oh, someone to know  
    Someone to love  
    Someone to trust  
    Someone to hold  
    Oh, someone to know  
    I thought I'd never love again  
    I thought my life was over and  
I didn't want to face nor even see another day  
Suddenly from no where, baby you appeared  
    You dried my tears, you cared for me  
    Maybe your love for me, truly rescued me  
    It's because of you I was able to  
    Fall in love again, you gave me  
        Someone to love  
        Someone to touch  
        Someone to hold  
        Oh, someone to know  
        Someone to love  
        Someone to trust  
        Someone to hold  
        Oh, someone to know  
For so long in my life, I wouldn't let love inside  
    But I swallowed my pride the day you arrived  
Now that you're by my side everything is all right  
    It's because of you I was able to  
    Give my heart again, you gave me  
        Someone to love  
        Someone to touch

Someone to hold  
Oh, someone to know  
Someone to love  
Someone to trust  
Someone to hold  
Oh, someone to know
