

# Who'll Stop The Rain

[John Fogerty](#)

Long as I remember  
The rain been comin' down  
Clouds of mystery pourin'  
Confusion on the ground Good men through the ages  
Tryin' to find the sun  
And I wonder, still I wonder  
Who'll stop the rain? I went down Virginia  
Seekin' shelter from the storm  
Caught up in the fable  
I watched the tower grow Five years plans and new deals  
Wrapped in golden chains  
And I wonder, still I wonder  
Who'll stop the rain? Heard the singers playin'  
How we cheered for more  
The crowd had rushed together  
They're tryin' to keep warm Still the rain kept pourin'  
Fallin' on my ears  
And I wonder, still I wonder  
Who'll stop the rain?
