Dawn Rising

Red Fang

Staring searching
A shell of a shadow
Tried so hard to be right
Becoming so wrong
Until nothing was left
And nothing was rightI still hear
The clash of weapons
Disguised as words
So easy to begin
So hard to end
So easy to begin
And so hard to end
Dawn
Dawn rising
Sun shine burning
Feels like defeatAn empty zero
Living flatline
It felt like misery
The truth that set me free
The world a mirror
Bloodied and brokenScreaming riot
Screaming riot riot
Until nothing was left
And nothing felt right
'Til nothing was left
And nothing felt right
Dawn
Dawn rising
Sun shine burning
Feels like defeatRiot riot
Riot riot
Screaming riotAn empty zero
Who lives in flatline
It felt like misery
The truth that set me free
The world a mirror
Broken, bloodied and crackedScreaming riot
Screaming riot
Screaming riot
