I Donâ€™t Disappoint

Jay Park

I need a cha cha beat boyI've been working all, working all day girl,
Come and take the stress, take the stress away girl,
So much bullshit, I need to get away from
A sex trip,
That's what I need and her ratification oh.You got just what I like girl,
So Imma come and get it baby,
Don't you go anywhere stay right there,
Sorry to keep you waiting girl,Baby baby baby,
I've been thinking of you,
I can't wait to go and fuck you right.
Baby baby baby,
You know I'm in that mood,
Do the nasty things all through the night.I'm outcha making this money but we'll be making love soon enough,
It's gonna be that -brag to your friends about how good it was- love.
It's gon' be that bed, movin' all across the room,
Sexing nothing but the best, girl, expectin' nothing less from me.I don't disappoint, girl you know this yeah yeah,
I don't disappoint, girl you know it's good yeah.
You get all the points, when I score this yeah yeah,
I don't disappoint, girl you know it's good yeah.Put on that, see through lingerie girl
You can be my lil' cabaret girl,
Treat that pole like a 9 to 5 work it, yeah.

You know I'm in that mood,
Do the nasty things, yeah yeah oooh...I'm outcha making this money but we'll be making love soon enough,
It's gonna be that -brag to your friends about how good it was- love.
