Trebles Finals

Pitch Perfect

I'm living for the weekend but no, not any more.
'Cause here comes that familiar feeling that Friday's famous for
Yeah, I'm looking for some action and it's out there somewhere
You can feel the electricity all in the even air
And it may just be more of the same
But sometimes you wanna go where everyone knows your name
So i guess i have to wait and see
But I'm just gonna let something brand new happen to me
But its alright , its alright, its alright, its alright
Bright lights in the big city
Belongs to us tonight

I've got the magic in me
Every time i touch that track it turns into gold
Know everybody knows I've got the magic in me
When i hit the floor the girls come snapping at me
Now everybody wants some presto--
These tricks that I'll attempt will blow your mind
Pick a verse, any verse ill hypnotize you with every line
I'll need a volunteer
How about you with the eyes
Come on down to front and sit right here and don't be shy
Come one, come all and see the show tonight
Prepare to be astounded, no ghosts or poltergeists
You know I'm no Pinocchio I never told lie
They called me mister magic man
I float on cloud nine

I've got the magic in me
Every time i touch that track it turns into gold
Know everybody knows I've got the magic
Magic magic magic
Magic magic magic
M-m-m-magic magic magic
Aaaahhhooooooooo
I've got the magic in me
