Sundown

Labrinth

everyday she wanna bite my pillow,
everyday she wants to sweat on windows,
cant keep up,
cant keep her,
everyday she saying rude boy come round,
everyday she wanna f*ck till sundown,
cant keep up,
cant keep her
don't it always seem to go that you don't know what you got till its gone,
Everymans dream 5 foot 3,
she ready to go whenever
don't it always seem to go that you don't know what you got till its gone,
but baby i'm dry,
for the tenth time i might
she ain't a cold killer,
nothing like a pole swinger,
but she gotta beast in her,
comes out every single time,
so i put my hands up,
i ain't ma-man enough,
see its just the way she likes to f*ck,
she ain't eco-friendly no she never turns the lights off
everyday she wanna bite my pillow,
everyday she wants to sweat on windows,
cant keep up,
cant keep her,
everyday she saying rude boy come round,

everyday she wanna f*ck till sundown,
cant keep up,
cant keep her
don't it always seem to go that you don't know what you got till its gone,
Everymans dream 5 foot 3,
she ready to go whenever
don't it always seem to go that you don't know what you got till its gone,
but baby i'm dry,
for the tenth time i might
come on lay there,
i can keep up if you always with me down down down onto my knees,

till i bleed and you still ain't done with me no,
i know for sure i got to leave her,
cus' if i don't she'll be the death of me,
that's how i know i really need her,
she might as well get back on top of me,
oh[x8]
cus' i love you baby
you know that it it happens every single time,
and i may never love again,
you know that it it happens every single time,
so go and break my heart again
what did you do,
do baby,
what did you do,
do baby [x2]
you know that it it happens every single time,
so go and break my heart again
