Possess the Priest

Nocturnus

Welcome to my lair...
Your flesh has been chosen...Awaken, conjured
Erect the unholy force
Subliminal tamperings
Held within the christian masses
Distorted serenity
Teacher of the word loses faith
Prayers twisted
Unleashed the sadistic power
Congregation misled
Unspeakable torture lies ahead
Diabolicalintent
Lures all to the blackened realm[1] Cousume thy holy sprit
Carnivorious appetite
Destal virgin sodomized
The only means to satisfy
Clan of the cloth
Senreuced to die
Eternal victimized[2] I shall not rest untill all have died
Man of the cloth possesses to find
Nocturnal feash befoure the grave
Christian fleash is what I crave
Regurgitation of this mutilation
Devouring their ignorant prayers
Tormented souls echo in laughter
Before the savior nailed to the crossInfested larvae
Developing to form
Awaiting consumption
Possess the priest
Maggots roam
Throughout the decayed corpse's
Intestinal offerings exhumed
Possess the priest[repeat 1] [repeat 2]Sacrilegious summons
Corrosive incision
Possess the priest
Dismembered eulogy
Artistic butchery
Possess the priestPartake of the blood
For eternal life

Possess the priest
Souls of the bewildered
Remain in my controle
Possess the priestNever will ane exorcism
Ris me of this flesh
