

# Smokin Good

Wiz Khalifa

I'm a cigarello fiend smokin' weed like it's oxygen  
Roll a lot skunk, need some blunts, get two boxes in  
Goin' to pull my stash, out rollin' out this half ounce  
Puff pass, nigga I puff grass till I pass out

I'm a cigarello fiend smokin' weed like it's oxygen  
Roll a lot skunk, need some blunts, get two boxes in  
Goin' to pull my stash, out rollin' out this half ounce  
Puff pass, nigga I puff grass till I pass out

Half ounce what I got to smoke up in some days  
Yeah I choke up and get blazed  
Eyes closed up and get glazed  
I'll blow some in your face  
But you ain't hitting nothin'  
If I'm in here I gotta smoke somethin' nigga

Crack a swishy if I'm rollin' up that good  
And we roll it by the O, yeah I know you wish you could  
Ain't nothin' funny gettin' money like I should  
Anywhere I go niggas know I smokin' good

[Chorus]

I'm smokin' good  
I'm smokin' good  
I'm smokin' good  
I'm smokin' good  
I'm smokin' good  
I'm smokin' good  
I'm smokin' good

Niggas know about what young Khalifa into  
Love to smoke out, a lot of reefer in him  
Get you skunked out, you know I'm street official  
When boys gotta problem, you should keep your issue  
I'm from Pistolvania, where them heaters hit you  
Out in California, where the weed official  
And you could tell that I'm a boss  
Don't really gotta tell you that I'm smokin' good,

You smell it through the wall

Crack a swishy if I'm rollin' up that good  
And we roll it by the O, yeah I know you wish you could  
Ain't nothin' funny gettin' money like I should  
Anywhere I go niggas know I smokin' good

[Chorus]
