

# I'm Staying Here (And I'm Not Buying a Gun)

**John Wesley Harding**

I'm staying here and I'm not buying a gun  
I'll just take my trouble as it comes  
I know you've got it in for me  
But I don't give a damn  
I'd rather die while trying  
Than to give up who I am  
Please tell everyone  
I'm staying here and I'm not buying a gun I'm staying here and I don't care who knows  
No-one has the highs without the lows  
I know prescriptions you can write me  
For everything I need  
But I don't need a band-aid, doctor  
Til I start to bleed  
Please tell everyone  
I'm staying here and I'm not buying a gun Come on, Pilgrim  
Come on, Pilgrim  
I'm staying here and I'm not buying a gun I'm staying here, I hope you've got the news  
You got me and someone else confused  
I know you thought I'd turn and run away  
When it all went wrong  
But you'll be saying
