Take 'em Down

Dropkick Murphys

when the boss comes callin' they'll put us down
when the boss comes callin' gotta stand your ground
when the boss comes callin' don't believe their lies
when the boss comes callin' his take his toll
when the boss comes callin' don't you sell your soul
when the boss comes callin' we gotta organize
let em know
we gotta take the bastards down
let them know
we gotta smash them to the ground
let em know
we gotta take the bastards down
when the boss comes callin' you'll be on your own
when the boss comes callin' will you stand alone?
when the boss comes callin' will you let them in?
when the boss comes callin' will you stand and fight?
when the boss comes callin' we must unite
when the boss comes callin' we can't let them win
let em know
we gotta take the bastards down
let them know

we gotta smash 'em to the ground
let em know
we gotta take the bastards down
we gotta take the bastards down
when the boss comes callin' they'll put us down
when the boss comes callin' gotta stand your ground
when the boss comes callin' don't believe their lies
when the boss comes callin' his take his toll
when the boss comes callin' don't you sell your soul
when the boss comes callin' we gotta organize
let em know
we gotta take the bastards down
let them know
we gotta smash 'em to the ground
let em know
we gotta take the bastards down
let em know

we gotta take the bastards down
let them know
we gotta smash 'em to the ground
let em know
we gotta take the bastards down
