

Million Dollar Decision

Head Automatica

We came and went
too much time was spent
In the flows of the runaway holiday
But you came before me
And now jude can't afford me
Oh I can't believe I'm responsible
If you even care let me know
I love you so
But I was too proud to go
Now you're asking me
Asking me
Who made the million dollar decision?
I made decisions of my heart
If you see a man
with his head in his hands
That's the portrait of a runaway devil for you makin' your demands
You came before me
Now you can't afford me
Oh I can't believe I'm responsible
If you even care let me know
I love you so
But I was too proud to go
Now you're asking me
Asking me

Who made the million dollar decision?
I made it deep inside my heart
Who made the million dollar decision?
I pay for it when we're apart
You're falling to your death
Forgiving what you get
You took the fall
You're falling to your death
And now you're asking me
You're asking me
You're falling to your death
Forgiving what you get
You took the fall
You're falling to your death

And now you're asking me
Asking me
Who made the million dollar decision?
I made decisions of my heart
Try to get the best of me
And tell the biggest lies to me
I pay for it when we're apart
I made decisions of my heart
I made decisions from my heart
