

Sucker Punch

Hillbilly Herald

Beat up bones and a broken back
A loose tooth but I'm right on track
A lot'a blood and a shit load of sweat
Stack' up and place your bets When it's com' atcha
It's com'n fast
It could be a right
It could be your past You'd better duck
If you want'a last
Ya you think it's the one
It's nothing but a sucker punch
No I'm not gonna run Nothing but a sucker
Nothing but a sucker
Nothing but a sucker punch
