

Kiss You Back

Digital Underground

Shimmy, shimmy cocoa pop
Shimmy, shimmy cocoa pop
Shimmy, shimmy cocoa pop
Shimmy, shimmy cocoa pop We, we chocolate cross over
Yea, we chocolate cross over
See me, cocoa might go pop
I'm cocoa and I might go pop Now it's about time that I cleared this
So pardon me, miss
But I'd like for you to hear this
If you kiss me then I'll kiss you back You see, I feel real good inside
And it's just from your nearness
There's no need for you to fear this
Kiss me, I'll kiss you back, mmm Well, ya look kinda cute to me
I think we can achieve this
Plus you act like you need this
Kiss me and I'll kiss you back You act real fly, Money-B's not buyin' it
Quit denyin' it, you're better off tryin' it
Freak me, girl, and I'll freak you back
(Duh, nuh, nuh, nuh, nuh, nuh, nuh) Through any kinda weather
Will me and you forever stay together?
Well, I just don't know
But I'll tell ya what though If you kiss me then I'll kiss you back
(Kiss you back)
And I guess you wanna know if I'm gonna be around
I ain't sure but I'll tell you what I do know
If you kiss me then I'll kiss you back
(Kiss you back)
Awright, let's do this If you kiss me then I'll kiss you back
Yeah, kiss me and I'll kiss you back
If you kiss me then I'll kiss you back
You with it? 'Cause if you with it, I'm with it, yo If you kiss me then I'll kiss you back
Yeah, mmm
Just kiss me then I'll kiss you back
I'll kiss you back, I'll kiss you back Now I'm hopin' that you hear me
'Cause I love it when you're near me
And I'm tellin' you sincerely
That if you kiss me, girl, I'll kiss you back 'Cause I really, really, really like you
And I just want to make it clear
We're gonna keep it fair and square

Kiss me and I'll kiss you backYo, it's not funny
Real cute is what you say to me
But any other way you play me
If you love me then I'll love you backWhen you say I get the most out of this
It kind of bothers me
A fair exchange and no robbery
Love me girl and I'll love you backNow I'm hopin' that you hear me
'Cause I love it when you're near me
And I know, you know, I knew this
So I guess that we can do this
Awright, sing it with me again, c'monIf you kiss me then I'll kiss you back
Come on, keep it going
If you kiss me then I'll kiss you back
Yeah, ladies?If you love me, boy, I'll love you back
Oh, yeah? Yo, I'm with it
If you kiss me then I'll kiss you back
Awright, awright that's cool, now let's change it up a littleIf you play with my tummy I'll tickle your feet
You know?
If you touch me here I'll touch you there
Yeah, put lotion on meIf you kiss me then I'll kiss you back
I'll kiss you back
If you love me, girl, I'll love you back
I'll love you backWe know what you go through
Sometimes we put you down
People treat you coldly
They know you sleep aroundWe never want to disrespect you
And tell anyone in town
But if you love me then I'll love you back
I'm askin' if you're downI'm hopin' that you hear me
'Cause I love it when you're near meIf you kiss me then I'll kiss you back
I'll kiss you back
You know, I know, you knew this
So I guess that we could do thisIf you kiss me then I'll kiss you back
You know what I'm sayin'?
I mean if it's a deal to you, it's a deal to me, but yo
Kiss me then I'll kiss you backYo, let's kick it one more time, come on
Kick itIf you kiss me then I'll kiss you back
Kiss me
If you kiss me then I'll kiss you back
And I'll kiss you backIf you kiss me then I'll kiss you back
If you play with my feet I'll tickle your tummy
If you love me, boy, I'll love you back
Yeah, I like it when the girls do itIf you love me, boy, I'll love you back
Come one ladies, one more time, kick it
If you love me, boy, I'll love you back

'Cause if you kiss me then I'll kiss you back
But if you hit me then I'll hit you back
Smack me and I'll smack you back
If you scratch me here I'll scratch you there
Aww, put lotion on me
If you kiss me then I'll kiss you back
If you kiss me then I'll kiss you back
If you kiss me, girl, I'll kiss you back
If you touch me here I'll touch you there
Touch me here, baby, and I'll touch you there
If you kiss me then I'll kiss you back
Yeah, yo, this is pumpin', yo
Shock this is pumpin', man
This sounds like somethin' I'd do
I hear ya, I hear ya, Hump
You know what I'm sayin'?
Yeah, 'cept I'd do it like this, hit it girls
If you pinch my nose I'll play with your toes
You know what I'm sayin'? Right, right, right
If you look real cutie I'll play with your booty
Yeah, yeah
Check it, yeah
Yo, but would ya
If you hold my nuts I'll
Awright, that's enough, that's enough
What, what man? I ain't
No, no Hump, come on, man, no, no
Awright, awright, awright
Let's just keep it cool, you know what I'm sayin'?
If you kiss me then I'll kiss you back
If you kiss me then I'll kiss you back
Hold my nose, uh, huh
If you kiss me then I'll kiss you back
Jus't havin' fun with it, man, know what I'm sayin'?
If you kiss me then I'll kiss you back
Kiss me then I'll kiss you back
Awright, heh, heh
Shimmy, shimmy cocoa pop
We, we chocolate cross over
See me cocoa might go pop
Shimmy, shimmy cocoa pop
We chocolate cross over
We chocolate might cross over
See me, cocoa might go pop
I'm cocoa and I might go pop
See me, cocoa might go pop
See me? I'm cocoa and I might go pop
See me, cocoa might go pop
Yeah, we cocoa and we might go pop
See me, cocoa might go pop
