# Love Is Dead

## Atrocity

My love is dead, love is dead
My love is deadI feel a cold breath of wind
Black sky in morning veil
I see no worth living reason, oh no
Ooh, it's driving me insane pangs of loveNever thought I would feel this way
Ooh, I see your face in every cloud
And I say to myself don't let me
Let me fade awayLove is dead
My love is deadI walk through desert fields
Black ravens surrounding me
I have no more rest for life, no more
Ooh, I'm bleeding from insideA once opened heart never thought
I would feel this way ooh, I search for any reason or cause
Which I could never find
So I blame myself for things I don't understandLove is dead
My love is deadFor all the people who believe
[Incomprehensible]
[Incomprehensible]My love is dead
My love is dead
My love is dead
My love is deadAll my life is pain drowned in tears
Never thought I would feel this way
Everyday I die once more, my heart turns black
Never again safe and warmLove is dead
My love is dead
My love is dead
My love is dead
My love is deadLove is dead
Love is dead
Love is dead
Love is deadLove is dead
Love is dead
Love is dead
Love is dead
My love is deadOnec more
Love is dead
Love is dead
Love is dead
Love is deadLove is dead

Love is dead
Love is dead
Love is deadDead, dead, dead
Dead, dead, dead
Dead, dead, dead
Dead, dead, dead
My love is dead
