

Big Jet Plane (Acoustic)

Angus & Julia Stone

She said, "Hello, Mister, pleased to meet you"
I wanna hold her, I wanna kiss her
She smells of daisies, she smells of daisies
She drives me crazy, she drives me crazy Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane
Hey hey, hey hey Be my lover, my lady river
But can I take you, take you higher? Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane Hey hey, hey hey
Hey hey, hey hey Gonna hold you, gonna kiss you in my arms
Gonna take you away from harm
Gonna hold you, gonna kiss you in my arms
Gonna take you away from harm Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane
Gonna take her for a ride on a big jet plane Hey hey, hey hey
Hey hey, hey hey
Hey hey
