Suntan

Derrero

It's about 90 degrees, sittin' in the shade
Most folks stay in the house
But I like it this way
'Cuz it's girls on the river
Girls on the lake
Girls on the beach
And girls by the bay
Man, I wish it was summertime everydayThere's somethin' 'bout a suntan
And a sundress
Dancin' all around like a hot mess
A good ole boy like me
Ain't got a prayer[Chorus]
There's somethin' 'bout a hot girl
In some cool shades
Sittin' by the pool
Sippin' lemonade
The smell of Banana Boat
Coconut oil in the air
Yeah, I'm that big orange ball's
Number one fan
There's somethin' 'bout a suntanLord, knows they got 'em
Down in Panama City
Make your big ol' problems
Seem little bitty
When they shuck off their cut-offs
And splash in the water
The nightclub divas and the preacher's daughter
When the day turns into night
Man, it just gets hotterThere's somethin' 'bout a suntan
And a sundress
Dancin' all around like a hot mess
A good ole boy like me
Ain't got a prayer
Repeat ChorusWeatherman's talkin' on the TV
Callin' for a heat wave
I'm just sittin' here just crossin' my fingers
That it don't rainThere's somethin' 'bout a suntan
And a sundress
Dancin' all around like a hot mess

A good ole boy like me
Ain't got a prayer[Chorus]
There's somethin' 'bout a hot girl
In some cool shades
Sittin' by the pool
Sippin' lemonade
The smell of Banana Boat
Coconut oil in the air
Yeah, I'm that big orange ball's
Number one fan
There's somethin' 'bout a suntanThere's somethin' 'bout a suntan
