

# Oh but God

## Texas Mass Choir

Oh But God  
solo  
I've had heartache and pain  
I've has sunshine and rain  
I didn't know what the day was goin' bring  
Oh but God

I was sick, thought I'd never get well  
God healed my body  
I got another story to tell.  
Oh but God

I've never seen the righteous forsaken  
Nor His seed, never begging for bread  
I am His and He is mine  
He's the lifter if my head  
Oh but God

Choir  
Oh but God  
Oh, oh, oh, oh, oh but God  
Gave me a new determination  
Stepped into my, situation  
Oh, oh, oh, oh, oh but God
