Chasing Sunrise (feat. Elisabeth Troy)

Metrik

Maybe we could run away
Get away, break the scene
Break it up and leave it
Because you said you knew another way
A better path we could take
We'll be alright, that is alrightKeep running away, we're looking alive
Keep running away, losing tonight
Chasing sunriseChasing sunrise (x3)Maybe we could run away
Get away, break the scene
Break it up and leave it
Because you said you knew another way
A better path we could take
And you I see my future, ooh, and it's alrightKeep running away, we're looking alive
Keep running away, losing tonight
Chasing sunriseChasing sunrise (x3)
