Song To Make Love To

Deep Blue Something

It wouldn't be so hard to sleep at night
If I could make a day without a fight
I really think the world would be impressed
If it were equally as blessed
Tryin' just to make it through each day
Sleepin' just to pass the time away
I don't even know who to listen to
What I need is a song to make love to
Wasting years at alarming rates
I can't just leave my life to fate
If I could just find a new career
One that involves a little beer
Tryin' just to make it through each day
Sleepin' just to pass the time away

I don't even know who to listen to
What I need is a song to make love to
Tryin' just to make it through each day
Sleepin' just to pass the time away
I don't even know who to listen to
What I need is a song to make love to
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
Tryin' just to make it through each day
Sleepin' just to pass the time away
I don't even know who to listen to
What I need is a song to make love to
