

Sleazy Come, Easy Go

L.A. Guns

Baby lives in a trailer park
Only comes out after dark
Hates her mom hates the old man
Don't like living in a caravan
Oh taxi cab
It ain't nice 4 girls 2 grab
She's leaving town on a greyhound bus
Doing time 4 your baby
Sleazy come easy go
Doing time 4 your man
Anyway you can
New york city, Hollywood
Just like she always knew she would
She's riding high she's playing the game
Moving fast as a hurricane
Oh taxi cab
It ain't nice 4 girls 2 grab
Don't make a sound don't make a fuss
Doing time 4 your baby
Sleazy come easy go
Doing time 4 your man
Anyway you can
Private plane crystal queen best Peruvian
You've ever seen
Lady luck took a dive
She's in stir doing 3 to 5
Oh where's that cab, I told you it ain't nice 2 grab
She's leaving town in a greyhound bus
Doing time 4 your baby
Sleazy come easy go
Doing time 4 your man
Anyway you can
