Moonstone

Barenaked Ladies

Haven't said my point of view
I really don't want to bother you
I will see this whole thing through
I really don't want to bother youI Will
Shoulder the winter snow
I Will

Hold her and let her goTattered posters ???
They wrote your name there on the wall
Numbers meaningless to me
What will it do to disagreeI Will
Shoulder the weight he'll need
I Will

Hold her and let her bleedMoonstone has never shaw so bright
Never in its history
Cold water will wave you goodbye
But you never gone from meI Will
Shoulder the winter snow
I Will
Hold her and let her go
