I Love You

Asher Monroe

Verse 1
When you fall
I'll carry you
When you're lost
I'll guide you home
Want the world to see
You're the one for meWhen you're hurt
I feel the pain
When you're gone
All I see is rain
Risk it all
Just so I can sayHook 1
You're my beginning and end
My lover, my best friend
Only three words I can think of,
That my broken heart can mendI love you...
I love you...
I love you..
Yeah...
I love you...Verse 2
When the sun fades away,
And the light is only shades of gray
I'll be next to you
Be there to pull you throughIf you cry,
I'll dry your tears
If you're scared,
I'll calm your fears,
Baby you're the answer
To my prayers...Hook 2
You're my beginning and end
My lover, my best friend
Only three words I can think of,
That my broken heart can mendI love you...
I love you...
I love you..
Yeah...
I love you...Bridge
You're my anchor, my seed
Fill my soul, help me breathe

You're the wind to my wings,
Shooting star, destinyAnd I know... Need you to know...Outro
I love you...
I love you...
There's nowhere else I'd rather be,
Then holding you close right next to me
You know we've come so far
I love you...
I love you...
