

Kamikaze Baby

House Of Heroes

up the stairs and down the hall.
to your door and through your wall.
sorry that i never called you. so please come to your window.
i've been throwing rocks all night. i must be crazy.
i never thought it would come to this.
and maybe it's suicide by small increments. amazing.
i'll admit that it's amazing.
i cannot get my hands around it. brick by brick i build these walls.
brick by brick i build these walls.
sorry that i never called you. i must be crazy baby.
