

# Bankrupt In Hoven

## House of Large Sizes

I drank a bottle of sox  
Unrelenting, never-ending  
She took one look at me  
I could tell I could feel it never ever  
No way  
Bears are attacking me  
Dressed with signs of sixteen subjects  
You don't want 'em  
Why not let 'em go?  
I'm fine  
All right  
Just fine  
You don't know what it's like  
You don't know 'em  
Why not show 'em how?  
My Dad he said to me,  
"Life ain't fair, Son, you don't expect it"  
Sorry, Dad...  
Bears still attacking me  
Dressed with signs of you don't want 'em  
Why not let 'em go?
