

Smash Hit

All Star United

All he needed was PR
A million box of business cards
Careful image consultation
Securing reputationA clever market plan
He didn't understand
That's all it really takes
He could have played for higher stakesNow, somehow
We've gone wrongThis Jesus thing, it's a smash hit
It's packaged right
All stocks have split, it's a smash hit
It's gone worldwideJoin His name to any cause
Drop His name to get applause
They never get enough
Nothing here to be ashamed ofThose ever loyal fans
They wanna get their hands
On His newest merchandising
Ignoring overpricingNow, oh, wow
We've gone wrongThis Jesus thing, it's a smash hit
It's packaged right
All stocks have split, it's a smash hit
It's gone worldwideIt has no explanation
It smells like exploitationThis Jesus thing, it's a smash hit
It's packaged right
All stocks have split, it's a smash hit
It's gone worldwideThis Jesus thing, it's a smash hit
It's packaged right
All stocks have split, it's a smash hit
It's gone worldwideIt's a smash hit
It's a smash hit
